

**Kindergarten Matters:
Re-imagining Literacy and Mathematics Throughout the Day
Deepening Our Understanding:
Literacy and Mathematics Behaviours in Block Play**

[music]

[Text on screen]: Deepening Our Understanding: Literacy and Mathematics Behaviours in Block Play

STUDENT 1: [pointing at a picture of building blocks] Aidan remember this?

[student 1 walks over to the carpet where other students are building structures out of wooden blocks]

STUDENT 1: [moves over to student 2's structure, holding a wooden block] I need to come your... I'm visiting you.

STUDENT 2: Oh sorry. Got to come this way. Got to come this way. Got to come this way. And don't go in my garage okay? You're just visiting me right?

STUDENT 3: Hello.

STUDENT 4: Hello.

STUDENT 2: This is only for one snow machine. That's what my sign says.

STUDENT 5: Hey, you want to come to my house? I have a big parking lot.

STUDENT 2: I do. I'm going with my snow machine.

STUDENT 5: My big parking lot's right here.

[Inaudible remarks]

[Background conversations]

STUDENT 2: I'm going to put my snow machine in the garage.

[Background Conversations]

[Music]

[Text on screen]: Thanks to the children and educators who have shared their learning with us through these videotaped segments.
